A suggested gratuity of 15–20% is customary. The amount of gratuity is always discretionary.

Caution: There may be small bones or shells in some fresh fish and shellfish. Wines and various foods contain sulphites. Eating raw oysters may cause severe illness and even death in persons with liver disease, cancer and other chronic illnesses that weaken the immune system. We are not responsible for an individual's allergic reaction to our food. If you are unsure of your risk, consult your physician.
